CAMPING RULES AND REGULATIONS

The entry gate opens at 8:00 am and close at midnight daily. All vehicles will be required to park in the designated parking areas.

ALL CAMPING IS NOW ASSIGNED. Camping stalls are assigned by date of registration. Roping off of additional stalls is prohibited. Tampering or Removal of Staked Flags will result in eviction. Please be sure you are moving into the correct campsite as they are clearly marked. Failure to do so may result in the removal of your camping unit by tow truck.

Camping units and vehicles must not park in Fire and Emergency lanes. Fire lanes must remain clear at all times. Camping units must not form circles or close in camping areas due to fire regulations. If fire lanes are found to be blocked, Festival organisers have the right to have the vehicle towed at the owner's expense.

The Batoche Métis Nation Site (including campgrounds) is a "private site". Therefore, appropriate wristbands must be worn at all times beyond the checkpoint areas.

The fee charged for camping is for the campsite, not per person staying in the site.

Since this is an "**Alcohol and Drug Free Event**" all vehicles may be subject to search upon entering the Festival Grounds. All campground occupants must wear a wristband. Camping areas must be kept clean and maintained.
